Joseph M. Belth, Editor
Lois J. Braunlin, Circulation Editor

. . . for the unfettered exchange of ideas about insurance

Vols. 6-10 **INDEX** **1979-1983**

Editor's Note: The pages in Volumes 6 through 10 are numbered consecutively from 1 through 240. Each index entry shows the month and year of the issue, together with the page number in parentheses. For example, Feb 79 (6) means that the reference may be found on the February 1979 issue's second page, which is the 6th of the 240 pages. If an item is referred to more than once in an article, no extra indication is made in the index, even if the additional reference is on a subsequent page of the article. Also, if an item is referred to more than once on a single page, no extra indication is made in the index, even if the additional reference is in a subsequent article.
